- History:** Spread of Islam; African Kingdoms
- Art:** Art of Islam; Art of Ancient Africa
- Music:** Preparation for Spring Musical *Treasure Island*

Reminders

This month, we will have CTP Testing (end-of-year testing) on the mornings of April 2nd through April 4th. Students do NOT need to do anything to prepare or study for these tests. These tests cover a range of topics in English Language Arts, Math, and Science from the fourth grade learning objectives for Stratford Core Curriculum.

On Friday, April 12th in the MPR from approximately 1:30-2:45, we will have our 4th Grade Medieval Feast! Events include a feast, entertainment, a knighting ceremony, and “jousting.” It’s going to be an afternoon of fun! Please check for a SignUp Genius for donations coming soon.

Trait: Optimism

This month, we will focus on the character trait of *Optimism* and the “A” in Stratford’s HEART for *Articulate Students*. A person who shows optimism believes that effort will improve his/her future. Optimism means you stay motivated when things don’t go well, which helps foster a growth mindset!
