Reminders

The research portion of the Science Fair will be due on December 7th. This portion should include 2-3 paragraphs of typed information related to the science topics identified by your child about their topic and should be completed mostly in computer class. More info is provided in the Science Fair packet.

We are looking forward to performing our Winter Program titled “Peace on Earth” on December 12th at 10:30 AM! Please remember to send your child’s dress clothes in a labelled plastic bag by December 27th for our Dress Rehearsal on December 28th.

Focus on Learning

- Reading:** Complete *Robinson Crusoe* and *Gulliver’s Travels* excerpts
- Writing:** Opinion and informative essays
- Science:** Meteorology (water cycle, weather types and climate, forecasting weather, extreme weather, atmosphere, air movement, clouds)
- History:** Early Presidents
- Recitation:** Meteorology report

Trait: Zest

This month, we will focus on the character trait of zest! Exemplifying zest means you actively participate, show enthusiasm, approach new situations with excitement and energy, and invigorate those around you. We will also focus on the “R” in Stratford’s HEART for *Responsible Citizen*.
