Happy Birthday to Viraja (Feb. 17), Sidharth (Feb. 19), Matt (Feb. 20) & Clarina (Feb. 20)!

Upcoming Events

- Feb. 4th Last day for Priority Re-enrollment
- Feb. 14th Valentine’s Day
- Feb. 18th Presidents’ Day – No school!
- Feb. 22nd Part II Science Fair Due
- Feb. 22nd Spirit Day and Assembly

Reminders

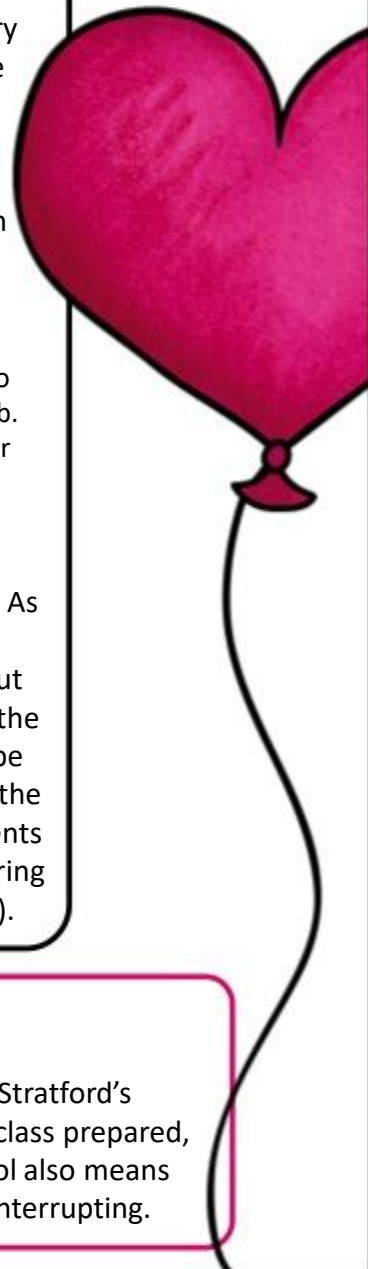

Part II of the Science Fair Report is due on February 22nd. This portion of the report includes the conclusion, results, and acknowledgements. More info is provided in the Science Fair packet.

We have the awesome educational opportunity to dissect sheep hearts on Feb. 7th – check out the blog for pictures soon!

Valentine's Day is on Thursday, February 14th! As a class, we voted to celebrate by handing out Valentine’s Day cards at the end of the day. Please be sure to have enough for the **WHOLE** class of 20 students if your child decides to bring in valentines (optional).

Focus on Learning

- Reading:** *Robin Hood*
- Writing:** Persuasive writing and creative, narrative writing
- Science:** Respiratory System
- History:** Medieval Europe
- Recitation:** “The Blues” by Langston Hughes
- Art:** Art of the Middle Ages (heraldry, calligraphy, illuminated letters, stained glass)

Trait: Self-Control

This month, we will focus on the character trait of *Self-Control* and the “H” in Stratford’s HEART for *Health Conscious Individuals*. A student with self-control comes to class prepared, follows directions, gets to work right away, and avoids distractions. Self-control also means remaining calm and polite when upset and allowing others to speak without interrupting.
