Trait: Curiosity

This month, we will focus on the character trait of *Curiosity* and the “R” in Stratford’s HEART for *Responsible Learners*. A person who exhibits curiosity eagerly explores new things, asks questions to deepen understanding, and takes an active interest in learning. Curiosity is a big part of staying a life-long learner, which is the goal!

Reminders

The last month of school is always full of fun activities showing the culmination of all our hard work and learning this year. We will begin with a field trip to Hiller Aviation Museum on May 10th. Stay tuned for more information regarding last week of school activities during the week of June 3rd- 7th to be announced very soon!

We are excited to present Room 204’s production of *Treasure Island!* The class has been hard at work perfecting dialogue, rehearsing songs and choreography, and creating set props and displays for our program. We look forward to showing it to you at our Spring Program!
